

CULTURE AND ANIMATION PROJECTS

Maison des Jeunes et de la Culture (MJC) – Centre Social
« Youth and Culture House – Social Center »

In Portes lès Valence, France

PROJECT DESCRIPTION

The CES will integrate the MJC and more specifically the cultural pole and the youth pole.

* Reflection on the intercultural meeting, citizenship with the different audiences (specifically young people and children):

- Exchanges with children and young people to the schooling
- Intervention in the framework , the opening to the meeting intercultural and mobility
- Participation in the Media-citizenship project, production of a film with a group of young people
- Intervention in extracurricular activities.

* Participation to the cultural programming :

- Festival of Solidarity
- Sidaction
- Week for women's rights

* Reflection on the possibility for a group of young people to participate in the Youth Olympic Games in Dakar in 2022

* Implication in the MJC activities with the House of Europe : young people's awareness of European citizenship, mobility and intercultural openness ; gender equality issue ; meeting between European citizens in connection with twinning committees and cultural associations...

* The CES will stay 11 months.

ACCOMMODATION, FOOD AND TRANSPORT ARRANGEMENTS

The MJC will be in charge of the reception of CES (accommodation in single room, activities, tutoring, food ..).
